

## The Paper

5 days until it's due  
    I watch TV

4 days until it's due  
    I go to a movie

3 days until it's due  
    I go out with friends

2 days until it's due  
    I watch TV ... again

1 day until it's due  
    I drink tea  
    stay up late  
    procrastinate  
    go to sleep at 5:08  
    sleep in  
    skip class  
    start the paper

1 day overdue  
    I hand it in  
    my mark  
    'B+'  
    I always work well under pressure
